Song for me

Mark McDonald

♩ = 118

22
everything will be much clearer soon.
25
I have always wanted to keep something perfect close to me.
29
but I never found out what that something perfect
32
should have been If you tell me I am only
35
falling from my pedestal Then the ground would

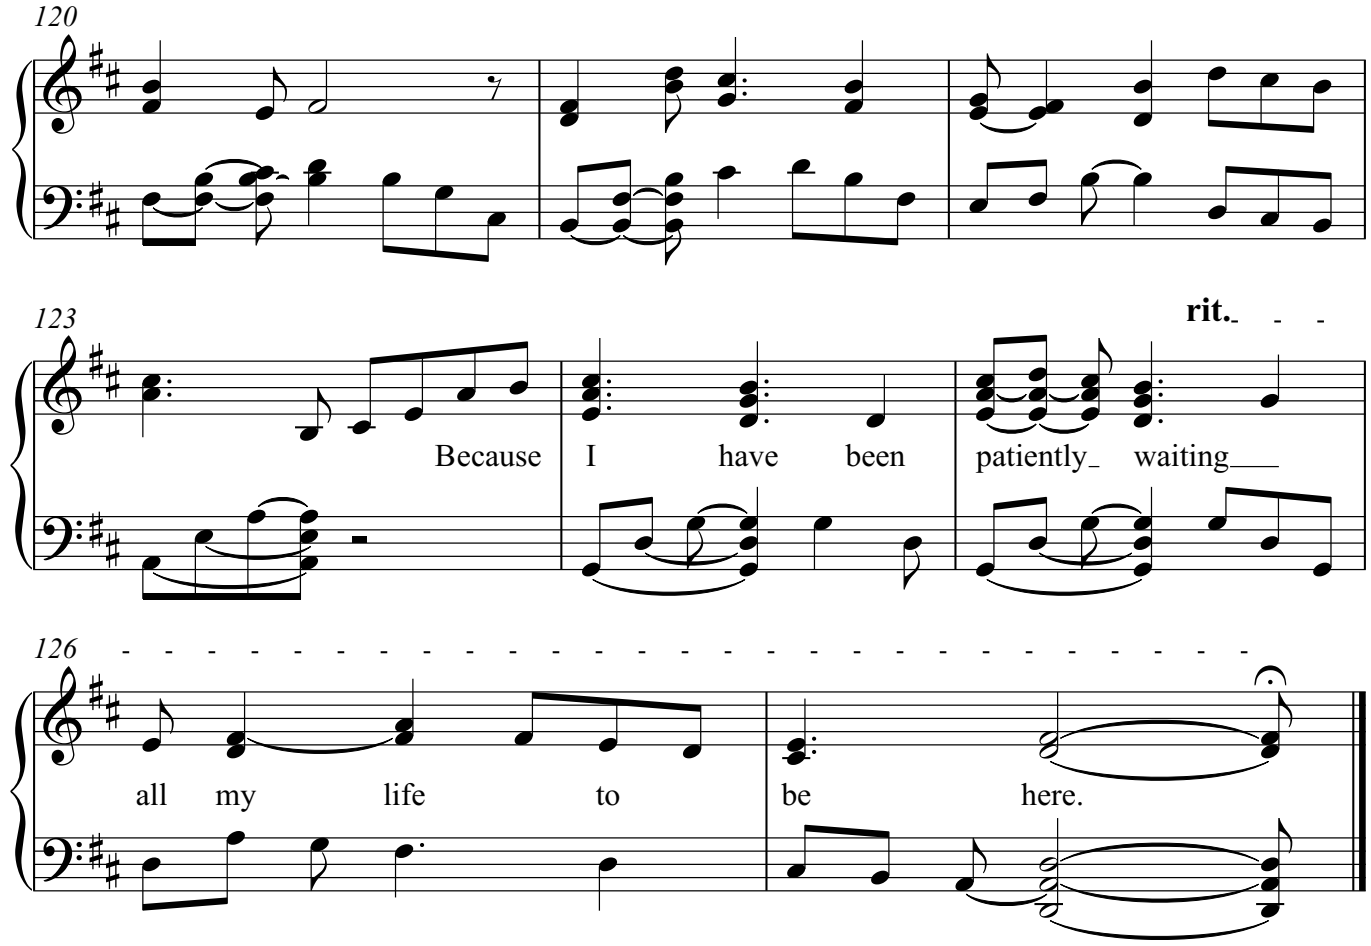

38
seem a little friendlier and I can sleep. I have been
42
patient waiting all my life to be here. Silently
46
hating the gentle rising of the jealous moon.
49
If you could just tell me something only I might
52
understand I'd be sure to tell you somthing

55
good
Give me a moment
I'll make it special
58
If you would just
give me something
only I hold
61
in my hand
I'd be sure to
give you something
64
good.
Give me a moment
I'll make it perfect
67
I have been
patiently waiting
all my life to
be here.

71
Silently hating the rising of the moon.
75
There have been little signs that leave me hesitating
79
But I just didn't see, the moment passed too soon
83
If you could just tell me something only I might
86
understand
If you would I'll tell you somthing

89
good
Give me a moment
I'll make it special
92
If you could just
give me something
only I hold
95
in my hand
I'd be sure to
give you something
98
good.
Give me a moment
I'll make it special
101
Give me a moment
I'll make it perfect
I have always

104
tried to hold that
something perfect
close to me.
but I never
108
found out what that
something perfect
should have been
111
Send a sign that
tells me I'm not
falling for your
114
perfect lies Then
all the moons most
silvered coins could
117
never pay for
what that buys.

120
123
rit.
Because I have been patiently waiting
126
all my life to be here.
